## Victory Wall Louvres

Victory Wall Louvres come in a range of styles and sizes. Available in both 90mm and 150mm blade options, and in Fixed, Sliding, Hinged and Bi Fold styles, the range is endless. Made from 6063 grade aluminium and available in more than 150 premium colours, this product is the envy of the industry.

## FEATURES & BENEFITS

- Weather Resistant
- Significantly Reduces Noise
- Increases the Value of your Property
- Strongest Wall Louvre System on the Market
- Options for Horizontal or Vertical
- Custom Sizes to fit all Applications
- Covered under 15 Year Victory Warranty

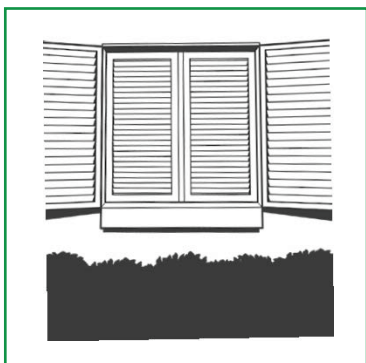

### FIXED WALL LOUVRE

A Fixed Panel Louvre offers the simplest form of installation and operation. With a maximum height of 3000mm and width of 2500mm, this product is quickly becoming the product of choice for opening wall louvres.

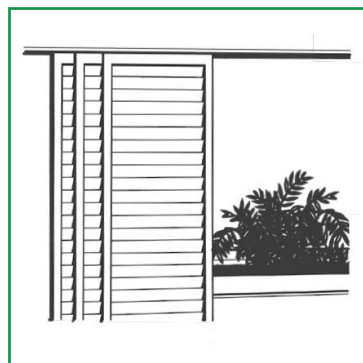

### HINGED WALL LOUVRE

Hinged Louvre shutters are a practical and aesthetically pleasing choice for both interior and exterior windows and doorways. Available to swing either inwards or outwards, Shutter Concepts Hinged Louvre's can be supplied with L or Z framing to provide an excellent finish.

### BI-FOLD WALL LOUVRE

Bi-fold Louvre shutters provide a versatile option for balcony or patio areas by offering a choice of total enclosure and protection from the elements when in a closed position, yet still maintaining the availability of clearing the opening completely by folding the panels and pushing them to one side.

### SLIDING WALL LOUVRE

Sliding Louvre shutters are an ideal choice for sun protection and privacy on applications where space around the opening is limited. Utilising practical nylon pivots, the panels can slide left or right by running along top and bottom tracks which provide a perfect solution to this application.

# With Victory, you've already won.

There's nothing more Australian than an outdoor barbecue lunch with a beverage in your own outdoor living area. If you want control over your lifestyle, Victory Opening Louvres allow you to select as much or as little sun and weather as you like. Enjoy peace of mind under your new Victory Louvre system with our unbeatable, watertight warranties. When you choose a Victory system you are choosing the best system available, a unique system from Revolution by Design that has evolved over two decades from research and development in the home improvement industry.

## OPEN YOUR HOME TO VICTORY'S SUPERIOR OPENING LOUVRES

Victory's Opening Louvres come in two different styles. The high quality Architectural Louvre series and the more conventional and Victory series. Each is designed with quality and durability in mind, as well as a budget that is affordable.

The Architectural Series of Roof Louvres provides an outstanding finish, with a smooth stylish aluminium finish for the entire system. The goods looks and clean lines, makes this louvre option the flagship of the Victory Opening Louvre range.

The Victory Series of Roof Louvres system is by far the most popular system on the market today, with flexibility and design options that meet any customer expectation.

Both systems come with a stylish flat 150mm or 200mm louvre blade, which provides excellent large-spanning capabilities, creating ample living space to enjoy on any verandah.

Our Opening Louvre systems are engineered by experts and are powered by state of the art 12 volt technology, the most efficient and cost effective method on the market today. This motor systems are quick, smooth and long lasting – everything you want in a louvre system of today.

## WHY CHOOSE VICTORY ROOF LOUVRES? ITS AN OPEN & SHUT CASE

Victory's beautiful 150mm or 200mm flat louvre blade provides a fully customised solution for any roof scenario. Large spans are a feature of the Victory product that provide you with more design options.

Utilising industry-leading technology, Victory Opening Louvres can either be operated via remote or programmed into existing home automation systems. All louvres come with a rain sensor which means they open and shut automatically when the rain arrives. Truly hassle-free!

Along with these truly stylish features, Victory Home Improvements can further enhance your louvre's beauty with a range of extra features. These include:

- Beam Downlights
- Meter Cover
- LED Strip Lighting
